This book is filled with practical quotes of the Man's misconception, perception and observation of a woman's basic character when she is a friend, in love or in marriage.

In responds it portrays the unique features of a woman

some of these perception may be either

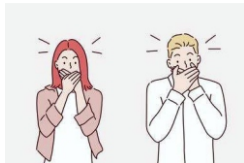

- 1. True - Worthy of commendation*
- 2. False - very untrue*
- 3. Indifference- Based on certain characters or individual personalities.*
- 4. Answer- My personal Opinion.*
- 5. Sometimes- not in all cases.*

It is my utmost desire that you find a neutral ground to nurture, groom and build a peace loving relationship with understanding as you peruse the timeless nuggets of this book.

*may the good Lord bless your union ,
cause you to meet the right person at the right
time.*

*keep you from fatal relationship(s)
in Jesus name.*

1. Most men believe that when a woman loves them, they (the woman) can't do without them.

Some men believe that keeping the woman quiet will hurt her more.

False: A woman's love is equal to her total dependency on the man.

When she falls out of love with you, she will never need you.

2. Some men believe that keeping the woman quiet will hurt her more.

True: The woman values communication and attention from the man she truly loves.

3. Telling a woman how busy and hardworking you are makes her place value on the time you give her.

True: If she is a woman who communicates her feelings.

4. Making love to her means a lot to her.

Indifferent: It is so, if she is your wife. It is not so If she doubts you will marry her.

5. Calling your woman on the phone all the time bores her.

False: It means a lot to her. It is your not communicating to her at home that bores her.

6. Women talk too much.

True: Especially if she loves you.

7. They never love to apologize when they are wrong.

Indifferent: If there were exchange of abusive words, she will feel devalued.

If she is still a baby in the house.

8. Some women love their Parents more than their marriages.

True: If she is still a baby in the house.

never judge a woman from her family background,

9. My wife disagrees with most of my decisions in the house. she feels am so naive.

Answer: Ignore her and do the right thing . The results will poove or differentiate between your decisions and hers.

10. When a woman doesn't want you to check her phone, she has something to hide.

True: No comment.

11. women love compliments.

True: so Give her a lot of it.

*love and jealousy
could be neighbors*

.12: when you help a woman with house chores, she takes it as though its your daily duty.

indifferent: Divide the chores to suit your time and convinence. Be Committed to it. She will understand when you are indisposed.

13. when a woman knows how much you earn, she will take advantage of it by wasting the money with unnecessary expenses.

True: That was how you started dating her by excessive spending.

When a woman is pregnant, she acts irrational, uncontrollable, strange, and not accommodating.

14. Its best to leave the house when the woman is nagging and complaining.

True: No comment.

15: Beating the woman will help calm her nerves down and show how angry you are.

False: Even if your father did such to your mother, you will not smile when a man beats your daughter in her marriage. There is no justification to domestic violence.

16. She will respect you more if you double date.

False: Once given the slightest opportunity she will leave you for a more committed young man.

17. All single mothers are unfaithful.

She will respect you more
if you double date.

false: Never use one to judge others. Because The guilty cannot be used to judge the innocent.

Beating the woman will help calm her nerves down and show how angry you are.

18. A woman who disrespects her father will disrespect you.

indifferent: The one who loves her father may not necessarily love you.

Never judge a woman from her family background, give her the opportunity to prove herself.

19. A woman who is extremely jealous can break a marriage.

Sometimes: The woman who is not jealous at all, could end up being unfaithful. love and jealousy could be neighbors. But jealousy mixed with hatred and malice was never love.

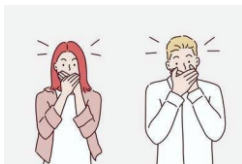

20. When a woman is pregnant, she acts irrational, uncontrollable, strange, and not

accommodating.

*True: So also a man
who is pregnant with
a vision.*

*But remember Love
never FAILS.*

*So be Strong and
Patient with her.*

*Some men believe that keeping
the woman quiet will hurt her more.*

2 1. A woman still single in her late 40s must have had a very bad character.

*False: The race is not for the swift, the battle is
not for the strong, neither is bread for men of
skills, but time and chance happens to them all.*

*Maybe if she had met a gentle loving man like
you, she would have long being married.*
